

# Community Flood Plan

**(version 12<sup>th</sup> June 2013)**

This plan is based on a template from the Environment Agency and has been developed by the Parish Council of Grampound with Creed since November 2011.

Community	Grampound with Creed Parish Council
Address	c/o Mrs Gillian Thompson, 12 Bonython Drive, Grampound, Truro, Cornwall, TR2 4RL
Floodline quickdial number	160003
Which Environment Agency flood warnings have you registered to receive?	[The Parish Council will register online but have yet to agree the number to use. Also all flood volunteers could also register. A recorded message is given when they call you.]
Local flood warning trigger	Local community flood wardens raise concern over weather OR river Fal reaches bottom of bridge OR drains / culverts are full.
Date	12 <sup>th</sup> June 2013

## **Sections**

- 1 Actions to be taken before a flood
- 2 Actions to be taken during a flood
- 3 After a flood

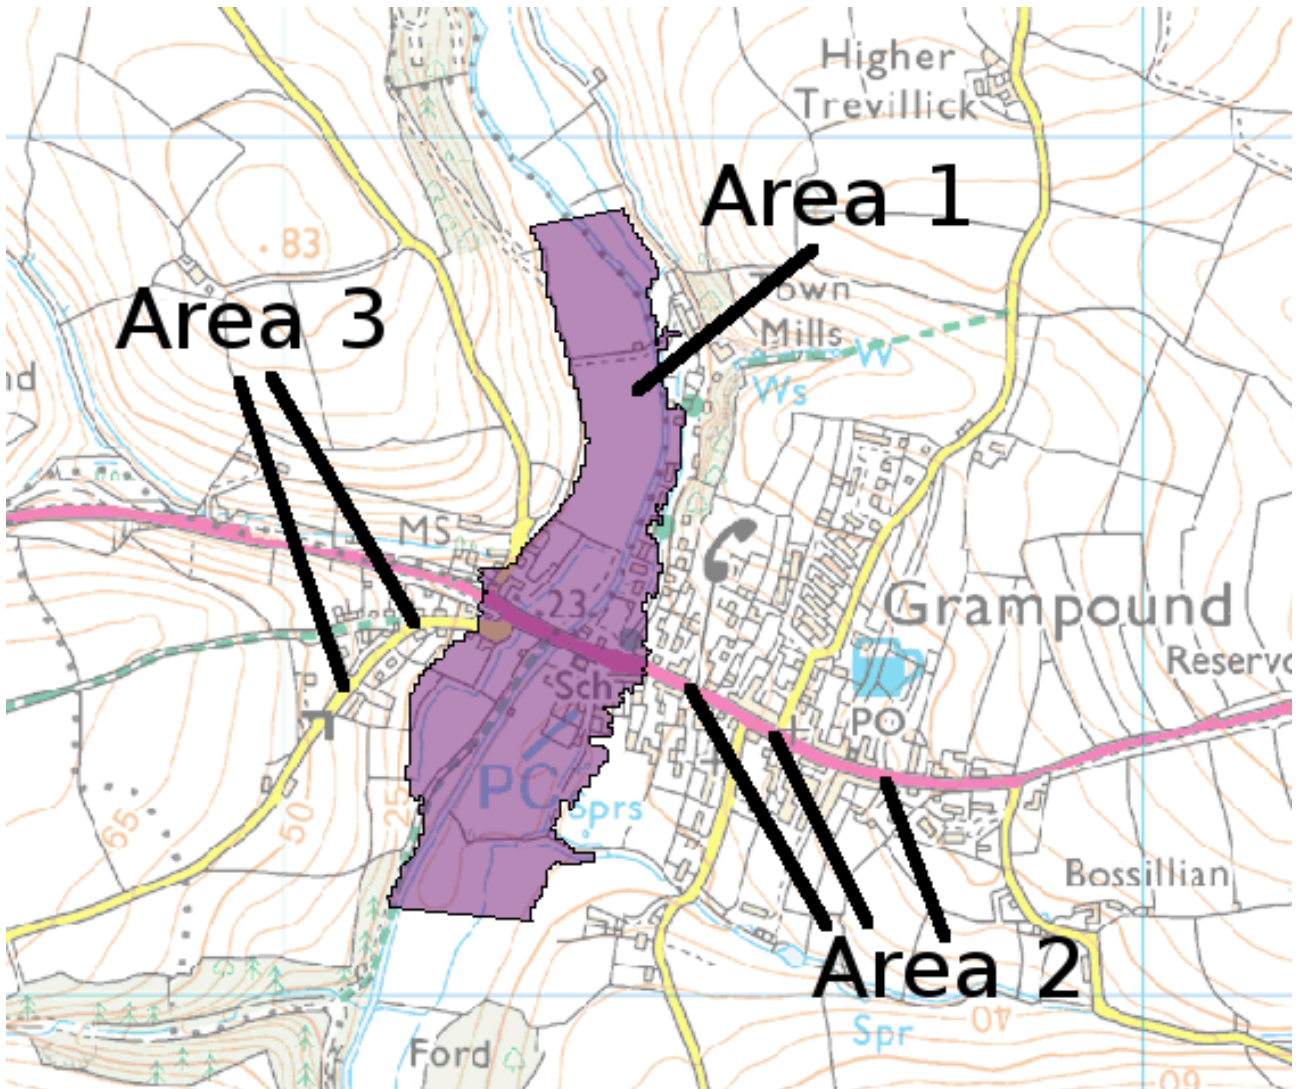

## **1 Locations at risk of flooding. A Flood warnings**

Area number	Location at risk	Trigger level	Actions
Area 1	Mill lane, Grampond bridge on the A390, Grampond with Creed School, Hall and recreation ground.	River Fal reaches the bottom of the bridge.	Call the Environment Agency's Floodline (0845 988 1188) for more information using the quickdial number 160003.
Area 2	Fore Street	Overflowing drains on Fore Street threatening to flood buildings and especially where heavy rain is expected. Old springs / water sources within houses during periods of prolonged rain.	Call the Environment Agency's Floodline (0845 988 1188) for more information using the quickdial number 160003.
Area 3	Old Hill	Overflowing drains and water from fields on Barteliver Hill threatening to flood buildings and especially where heavy rain is expected. Pooling of water near A390	Call the Environment Agency's Floodline (0845 988 1188) for more information using the quickdial number 160003.

**1 Actions to be taken before a flood. B Locations at risk of flooding / Source of flooding**

Area number	Location at risk	Source of flooding	Direction of flooding
Area 1	Mill lane, Grampond bridge on the A390, Grampond with Creed School, Hall and recreation ground.	River Fal and tributaries	Outwards from the river banks.
Area 2	Fore Street	Rain water from road and fields.	Down the hill and into properties on the outside of bends and those below the level of the road. Particular properties with previous experience of water flooding.
Area 3	Old Hill	Rain water from road and fields.	Down the hill and into properties on the outside of bends and those below the level of the road.

**1 Actions to be taken before a flood. C Locations at risk of flooding /  
Map showing direction of flooding.**

In Area 1 the direction of flooding is outwards from the river banks.

In Areas 2 and 3 the direction of flooding is downhill especially on the outsides of bends in the roads. In this location “springs” have also appeared within certain buildings.

## **2 Actions to be taken during a flood. A Local flood actions**

Identify local flood actions.

Area number	Location at risk	Action / trigger	Local action	Equipment required	
Area 1	Mill lane, Grampound bridge on the A390, Grampound with Creed School, Hall and recreation ground.	Flood warning	Block the flow to affected properties where possible.	Sandbags and polythene sheeting.	3 hours
Area 2	Fore Street	Flood warning	Block the flow to properties on the outside of bends and below road level.  Minimise risk to persons and property where water emerges within buildings.	Sandbags and polythene sheeting.	2 hours
Area 3	Old Hill	Flood warning	Block the flow to properties on the outside of bends and below road level.	Sandbags and polythene sheeting.	2 hours

## **2 Actions to be taken during a flood. B Local volunteers / flood wardens**

List of local volunteers / flood wardens that could be contacted in an incident. They may be required to lift heavy sandbags so should be reasonably active or fit. Consider using other volunteers as communicators, administrators or minders of vulnerable people during an incident. These volunteers could be registered on the Environment Agency's Floodline Warnings Direct Service so they receive the flood warning. **Volunteers must not put their own life at risk.**

## 2 Actions to be taken during a flood. D Available resources

Organisation	Resource	Number	Location	Notes
<p>Grampound Hall. Keyholders and phone numbers.</p> <p>Jane Sloan 01726 883214</p> <p>Simon Fann 01726 883874</p>	Evacuation centre	The hall can accommodate 200 people	The hall is in the recreation ground behind the school	The hall is in the flood risk area near the Fal but is on slightly elevated land and has the most appropriate space and amenities for a temporary evacuation. It is also recognised as a resource centre by the Police and Fire Service in the case of a civil emergency.
<p>St Nun's church. Church wardens and phone numbers.</p> <p>Dorcus Cuddeford 01726 883900</p>	Second line evacuation centre	The church could accommodate 100 people but only short term.	St Nun's is on the junction of Fore Street and Pepo Lane.	The church wardens will have a key to access the church. [agreement needs to be reached through discussion with the PCC]
<p>Local storage facility.</p> <p>[Need to identify somewhere near the bridge in Grampound. ? Lobb's forecourt ? Pub car park]</p>	Local storage facility for storage of sandbags when provided by Cornwall Council. Also equipment such as shovels can be stored here.			
<p>Coordination centre? Grampound Hall?</p>	Coordination centre. This is where volunteers will report when they are able to help.			Grampound Hall is recognised by the emergency services as a resource centre in the case of a civil emergency.

***2 Actions to be taken during a flood. E Arrangements between authorities***

None

***2 Actions to be taken during a flood. F Vulnerable residents, properties and locations.***

The clerk to the Parish Council has a confidential list of potential and self-reported vulnerable residents and properties which can be used by appropriate persons during an emergency.

Clerk to the Parish Council: Gillian Thompson 01726 882145
