116/2023	Planning Applications – Members considered.	
	a. PA23/00767/PREAPP, Land N of Allotments Pepo Lane Grampound – pre-application advice for proposed residential dwellings and associated works. Members believe this application is wrongly described as "infill". The application refers to nearby houses on Mill Lane but, in their opinion, this would be development in open country and would be contrary to Planning Policies 7, 1 and 3. OBJECT.	Clerk
117/2023	Other Planning Matters – Members to consider:	
	a. PA18/07808, Rear of Mill Lane Surgery Grampound – amended plans for new two-bedroom dwelling with domestic garage. Members feel this is not a non-material amendment but does require a full planning application and, therefore, decline to comment until that is submitted.	Clerk
118/2023	Highway Matters -:	
	Vehicular Damage to Town Hall – Mr Mark Pursey, appointed contractor, had visited the site. He advised he anticipates work would begin at the end of August.	
	Cllrs. Shaw and Jenkins left the meeting at this point.	
	b. Proposed Flowering Trees, Fore Street – Cllr McGuinness advised he will speak to Ms Sarah Daniels of Hewaswater Garden Centre regarding the supply of trees for the site but defer planting to October / November. Members AGREED a budget of £1,000 to purchase two trees.	Cllr. McGuinness
	NOTE – Forest for Cornwall are offering a free Landmark Tree to every PC. Details previously circulated. There is £1,493 CIL grant available towards the costs of the trees, including a plaque.	
	NOTE – a 'License to Plant in the Street' from Cormac/County Highways will be needed and a check made to ensure there are no services (drains/power) in the areas proposed for planting.	
	 C. Road Closure – Fore Street will be closed for the Carnival on 3rd September 2023, 6-7.30pm. Details previously emailed. 	
119/2023	Environmental / Amenity Matters –	
	a. Grampound Flood Plan – this item was taken out of order to allow Cllr. Jenkins to comment before he had to leave the meeting: https://ldrv.ms/w/s!AjTvk4pu6k4GhIRPw9Q7njPwSBJLvw?e=iYz2JN .	Cllr. Jenkins
	Cllr. James asked for the water runoff on Creed Lane to be included. Cllr. Jenkins reported the major differences to the 2013 version are:	
	This edition includes suggestions for individual householders to	
	undertake – wording comes from the Environment Agency.	
	 Flooding from rivers and surface water maps had been updated as per the published risks. 	
	 A new site of attention – the pumping station on The Tannery service road had been added. 	Olle Te lee /
	It was RESOLVED to approve the draft. Cllrs. Taylor, McGuinness and Jenkins were AUTHORISED to make the final amendments (phone numbers, more local repair businesses, etc.).	Cllr. Taylor / Jenkins/ McGuinness
	b. Trees, Junction Old Hill and Fore Street – despite reminders there had been no response from Matt Stephenson, CC Planning Lead, to Members' email: There is a large Weeping Beech tree at the junction of Old Hill and Fore Street (A390), Grampound that is partly overhanging Old Hill roadway. We understand that highways' regulations set the road clearance height at 5 metres. Members, therefore, feel it might be better to remove the overhanging branch entirely but being in a Conservation Area we are unclear if planning permission will be needed. Mr Josh Parkin-Jones to be asked to proceed.	Cllr. Taylor

Subsequent to the meeting, Clir. Taylor had spoken with Mr. Jonathan Croggon (freeholder). Mr. Croggan's solicitors had now examined the sale and lease documents and confirmed that the freeholder had retained access rights through the TP1 but accept that it is not showing on the Land Registry. Mr. Croggan's solicitors will take measures to rectify this. The leases do specify that the right of access has been delegated to the PC and the PC has therefore always had access rights. Clir. Taylor had asked Belmont/Vistry to examine their own paperwork and confirm that they accept Mr. Croggan's Solicitor's findings. d. Fore Street Grass Verges — • Weed Spraying — Clir. Taylor had made a further appeal for volunteers to be published in the Grampound Times and the website and Facebook. • Low Growing Wildflowers for Grass Verges — details, incl. costs: https://wildflower.lawnsandmeadows.com/product-category/wild-flower-plus-clants-for-sale/. Members agreed, in principle, to proceed with this project. For further consideration in September. e. Bin by Town Hall — Mr. Scott Pearce, Biffa had personally removed the abandoned bin from site. 120/2023 Administrative Matters — Members considered and ADOPTED risk assessments (previously circulated) for the following activities. i. Litter Picking — a revised RA had been circulated. ii. Council Chamber, including Administrative Systems — deferred to the July meeting. Members RESOLVED to provide a 'hand hold' at the top of the stairs. Clir. Taylor to liaise with Mr. Carl Davies. b. Equal Opportunities Policy — Members considered and ADOPTED this previously circulated draft policy. 121/2023 Documentation / Correspondence — not covered elsewhere on the agenda. a. Cornwall Air Ambulance — thank you letter i.r.o. Members' donation. b. Integrated Care Strategy — survey closes 30th September 2023: https://salercornwall.co.uk/have-vour-say/. Details emailed. c. Taylor and Mrs Liz Fisher had attended The Tannery Estate Annual Meeting and discussed the issue of access to the site. The over-riding lease has retained access but this is not showing on Land Registry searches. Mr Michael Seaton-Burridge had indicated Belmont was willing to enter into a legal agreement to allow access if necessary.
